Officers commanding regiments serving elsewhere than in India are informed that, although in many instances vacancies for subalterns may appear to exist, these vacancies either have been or are about to be filled up by sub lieutenants gazetted to the unattached list, who will, on leaving the Royal Military College, be gazetted and ordered to join their respective corps, in accordance with the regulations laid down in Clause 66, Army Circulars, 1874.

II. Commanding officers may rely upon every endeavour being made to fill up all vacancies as soon after their occurrence as practicable; and correspondence on the subject is unnecessary.

G.O. 6.—Provost Prisons.

The book referred to in Clause 29 of "Rules for the Management of Provost Prisons," dated Horse Guards, War Office, 1st July, 1874, should be Inspection or Visitors' Minute Book, W. O. B. 1, instead of W. O. B. 141.

-----------------------------	----	-------------------------------------	---

G.O. 8.—Interior Economy.

Referring to G. O. 32 of 1873, and the instructions issued therewith, it is to be distinctly understood that officers commanding brigade depôts, or officers commanding regiments to which depôts may be attached, are not to delegate to officers commanding depôts the power of awarding punishments entailing an entry in the Regimental Defaulter Book.

G.O. 9.—Non-Commissioned Officers for Auxiliary Forces.

I. Non-commissioned officers belonging to regiments and depôts at home,—who have served for fourteen years and upwards in the Army, and who wish to be transferred to the permanent staff of the Militia or Yeomanry Cavalry forces,—and those of eighteen years' service and upwards who desire to be transferred to that of the Volunteer force,—will send in their names in the usual manner to their commanding officers, who will at once forward such applications, with descriptive return, statement of service and medical certificate of fitness, to the Inspector General of Auxiliary Forces. The application will be accompanied in each case by a covering minute, giving the commanding officer's opinion as to the character of the applicant, and whether in his opinion he is, or is not, suited for work with the Auxiliary Forces, and whether he is considered to be capable of efficiently performing the duties of drill instructor.

II. From the returns thus sent in, a general list of candidates will be prepared and referred to when vacancies occur, but serjeants only will be transferred to the Militia, and, as a rule, no non-commissioned officer will be transferred from the Army to the permanent staff of the Militia or Yeomanry Cavalry Forces, until he has completed fifteen years' service; nor, in any case, to the Volunteer Force until he has completed eighteen years' service.

III. When a non-commissioned officer who has been recommended for the permanent staff of the Auxiliary Forces becomes non-effective, or in any way ceases to be a candidate, a report accordingly is to be made to the Inspector General of the Auxiliary Forces, in order that his name may be removed from the list.

IV. The regulations in regard to non-commissioned officers transferred as above are contained in Clauses 56, 63, and 66 of the Auxiliary and Reserve Force Circulars, 1874, copies of which have been issued to general officers commanding, and to regiments and brigade depôts on home stations.

By command,

RICHARD AIREY, *Adj. Gen.*

REGULATIONS RESPECTING MEDALS

GRANTED FOR ACTS OF BRAVERY IN SAVING LIFE.

40069

17

THE FIELD MARSHAL COMMANDING IN CHIEF having sanctioned Medals granted for acts of bravery in saving life being worn in Uniform, whenever a Society may consider any officer, non-commissioned officer or soldier entitled to receive a Medal, the decoration, together with a statement of the act of bravery performed, should be sent to the Adjutant General to the Forces, in order that the recipient's name may be registered, and the necessary authority issued for the distinction to be worn.

These Medals will be worn on the *Right Breast*.

REGULATIONS RESPECTING FOREIGN MEDALS.

148

583 & 610

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Any British subject is at liberty to accept and wear a Foreign Medal, not being the decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An officer, soldier, marine or sailor must, however, first obtain permission from the Commander in Chief or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

FOREIGN OFFICE, *January, 1870.*

FOREIGN ORDERS.

The attention of Officers is drawn to the following REGULATIONS which are those now in force respecting FOREIGN ORDERS and are to be strictly adhered to.

1. No subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Field Marshal Commanding in Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

By Authority.

They shall, except in the case of non-commissioned officers promoted to be sub lieutenants, be required to pass the examination for the rank of lieutenant prescribed by the standing regulations for the promotion of sub lieutenants in our Infantry and Cavalry of the Line within two years from the date of their commissions, and the professional examination for that rank within the year next following, failing to do which they shall be removed from our service. Sub lieutenants who shall twice fail to pass the examination prescribed by the aforesaid standing regulations may at once be removed from our Service, notwithstanding that two years from the date of their appointment as sub lieutenants shall not have expired. Cl. 14.—Royal Warrant—Pay of Non-Commissioned Officers of Royal Engineers employed as Clerks.

VICTORIA R.

Whereas we deem it expedient to revise in certain respects the regulations relating to the pay of non-commissioned officers of our corps of Royal Engineers employed as military staff and engineer clerks:

Our will and pleasure is that Article 765 of our Warrant of the 27th December, 1870, be cancelled from the 1st April, 1874, and that in order to provide for the payment of non-commissioned officers of Royal Engineers wherever they are employed as clerks, the following articles be substituted in lieu thereof.

1. The daily pay of non-commissioned officers of the Royal Engineers employed as clerks shall be as follows:—

	On Appointment in each Class respectively. <i>Daily.</i> <i>s.</i> <i>d.</i>	After three years' service in each Class respectively. <i>Daily.</i> <i>s.</i> <i>d.</i>
1st Class	2 0	2 6
2nd „	1 6	2 0
3rd „	1 0	1 6

In addition to a sum equal to {
the regimental pay of a ser-
jeant of the corps }

The above rates of pay shall only be issued to non-commissioned officers of Royal Engineers employed as clerks who perform their duties to the satisfaction of our secretary of state.

2. Non-commissioned officers employed as clerks in the Royal Engineer Department, when in charge of a station, where under ordinary circumstances three or more clerks are employed, may be granted 6d. a day in addition to the rates above laid down.

3. Non-commissioned officers employed as clerks in the office of the Deputy Adjutant General, Royal Engineers, at head quarters, may be allowed 6d. a day in addition to the rates above laid down.

ARMY CIRCULARS—*continued.*

4. The two senior clerks in the office of the Deputy Adjutant General, Royal Engineers, at head quarters, shall be considered as 1st class clerks, and shall receive pay at the rates of 5s. and 3s. 6d. a day respectively, which shall be inclusive of the additional pay of 6d. a day granted to the clerks employed in the office of the Deputy Adjutant General, Royal Engineers.

5. Clerks of the 1st class shall rank as serjeant majors; of the 2nd class as quartermaster serjeants; of the 3rd class as serjeants.

6. A non-commissioned officer of Engineers employed as a clerk may continue to draw his full-pay for continuous or intermittent periods of absence on ordinary leave, not exceeding in the aggregate thirty days, reckoning from the 1st of April in each year, provided no extra expense to the public be occasioned thereby. No ordinary leave shall, however, be granted in any year during which a clerk shall have been allowed sick leave for 30 days or more; and sick leave of less than 30 days shall in like manner be reckoned in diminution of ordinary leave.

7. When a clerk is absent from duty on account of sickness, a substitute may be appointed, with pay at 1s. a day, should the necessity of the case render such appointment indispensable. The pay of the substitute may in such cases be charged to the public for a period not exceeding 61 days from the date on which the absence of the permanent clerk commenced. But, should the latter continue unfit for duty, the substitute's pay at the rate of 1s. a day shall be stopped from the pay of the permanent clerk, which, subject to such stoppage, may be issued for a period not exceeding six months from the date of his ceasing to do duty. In the case of clerks in charge, the stoppage shall be 1s. 6d. a day.

8. Non-commissioned officers of the Royal Engineers employed as clerks shall be liable to be sent back to their regimental duties, either on account of their services being no longer required, or on account of incapacity or misconduct.

Given at our court at Osborne, this 9th day of January, 1875, in the 38th year of our reign.

them suitable for the packing of the new pattern arm, officers commanding regiments are authorised, on receipt of the new arms, to have new fittings made at a cost not exceeding 5s. for each chest, and in the proportion of one chest for every company.

2. The amount will be charged to the public in the Pay Lists, under the head of Vote 12, "Packing Materials."

Cl. 22.—Magic Lanterns.

1. All applications for the issue, transfer, or renewal of magic lanterns, slides, and all articles connected with magic lanterns, will in future be addressed to the Director-General of Military Education.

2. The words "magic lanterns" in the margin of Clause 153, Army Circulars, 1870, are hereby cancelled.

Cl. 23.—Returns of Gun-Carriages, Platforms, and Wagons in Store.

1. The return of gun-carriages in store, hitherto rendered quarterly by the outposts, on W. O. Form 1165, will in future be sent in half-yearly, on the 1st April and 1st October in each year.

2. An amended Form 1165 has been prepared, which now includes platforms and wagons of all kinds in addition to gun carriages.

3. These returns will be rendered in future by controllers at Gibraltar, Malta, Bermuda, Halifax, Hong Kong, and Trincomalee, as well as from the outposts at home.

4. Demands for the amended W. O. Form 1165 will be made by all the officers concerned.

Cl. 24.—Prices of Necessaries, 1875-76.

1. The list of prices printed in the Appendix [*not printed in Army List*] will regulate the sums to be charged to the troops for all necessities issued on payment, on and after the 1st April, 1875, except at those foreign stations where this Circular shall not have been received on that date, in which cases the prices contained in the Appendix to Clause 31, Army Circulars, 1874, will continue in force until the receipt of the present Circular at the station. The date of such receipt will be inserted in the kit account.

2. The price to be charged under the provisions of Clause 45, Army Circulars, 1867, for cholera belts, lost, destroyed, or issued on repayment, will be that quoted in the list printed in the Appendix to this clause.

3. If any articles other than those detailed in the accompanying list, be required on payment, a separate requisition will be forwarded for them, and they will not be included in the annual account of free kits and regimental necessities.

Payment for such articles will be made during the quarter in which they are received, or (in the event of their being received during the last month of the quarter), in the succeeding quarter. Care will therefore be taken that no larger quantities of such articles are at any time demanded than the regiment is prepared to pay for, in the manner above described.

4. In future, when leather is required, it should be demanded in hides, or bellies, instead of by the pound.

5. Summer frocks and fatigue trousers (although not articles of necessities), and sergeants' forage caps, may be accounted for in the annual account of free kits and regimental necessities.

6. The prices of such articles of clothing as are generally sold to the men have been inserted in the lists in the Appendix, and the rates given therein will be those which should be charged for such articles, instead of the compensation value as laid down in paragraph 59 of the Revised Royal Clothing Warrant, 1865.

7. Officers commanding will be careful to demand soap, both marine and yellow, by the piece instead of by the pound. Each bar of soap will be cut into ten pieces.

8. Necessaries of obsolete pattern, or articles omitted from the accompanying lists, will, if on charge, be sold at the rates laid down in the most recent circular list of prices in which such articles or patterns may have been included.

9. It is to be clearly understood that all necessities of an obsolete pattern are to be issued before any supplies of a more recent pattern are taken into use.

Cl. 25.—Necessaries.

The lists contained in the Appendix [*not printed in Army List*] give in detail the maximum number of articles of which the twelve months' supply of necessities, to be

1. In place of W. O. Book 66, "Register of Deeds," and W. O. Book 55, "Abstract of Leases," referred to in paragraph 102, Regulations for the Royal Engineer Department [Revised Army Regulations, vol. 5], Commanding Royal Engineers will be supplied with a Guard Book, W. MILITIA.

Cl. 6.—Commissions in the Army.

1. The officers commanding the Militia regiments mentioned in the list contained in the Appendix A, page 912, will be permitted to recommend two lieutenants of their regiments during the year 1875, for commissions in the Army, and those in the list Appendix B, pages 912, 913, one lieutenant.

2. They will report to the military secretary, through the officer commanding the sub-district and the general officer commanding the district, before the 1st April, whether they will be prepared to recommend a candidate or candidates, as the case may be, for such commissions or not.

3. If no intimation be received prior to, or on that date, it will be taken for granted that the commanding officer has no candidate to recommend; and the commission will be offered to the regiment next on the roster, which is not included in the number detailed for commissions during the present year.

4. The arrangements for granting commissions in the Regular Forces to Militia regiments being based on the system of giving one commission for each company in every ten years, regiments consisting of more than ten companies will occasionally receive two commissions in a year, and regiments below that strength will in some years get no commission.

5. When questions of priority arise, the seniority of a regiment of Militia will be determined by its numerical sequence, or, in the event of a regiment not having a number, by its alphabetical order.

6. A lieutenant of Militia recommended for a commission in the Army during the present year, must be within the ages of nineteen and twenty-two on the 1st May, 1875; but a lieutenant who entered the Militia between the 16th February and 1st November, 1871, will be eligible for a commission until he attains the age of twenty-three years.

7. Before a lieutenant of Militia can be granted a commission as lieutenant in the Army he will be required:—

(a) To have served two annual trainings.

(b) To obtain a certificate (W. O. Form 1672) from a board of examination that he is thoroughly acquainted with the following subjects:—

1. The first two parts of the "Field Exercises of the Infantry" and the command of a company in battalion.
2. Rifle drill and practice; and the theoretical principles of musketry, as defined in the authorized book of instruction.
3. The duties of regimental orderly officers, of officers commanding guards, and of subaltern officers of guards under officers of superior rank; and the mode of marching reliefs and posting ventries.
4. Those portions of the Queen's Regulations and Orders for the Army which relate to the duties and conduct of a subaltern officer; and the Mutiny Act and Articles of War, so far as is necessary for the performance of the duties of a member of a court martial.
5. The regulations for the Army in regard to the pay and messing of the troops, the supply of clothing and necessaries, and all details regarding the mode of carrying the various articles of the soldier's kit, arms, accoutrements, and ammunition.

(c) To be recommended by his commanding officer, the recommendation being confirmed by the officer commanding the sub-district, and the general officer commanding the district. (In the case of the Channel Islands Militia, the recommendation must be confirmed by the lieutenant governor.)

(d) To have passed the examination described in Appendix C [not printed in the Army List], or to produce an university certificate, as prescribed in Appendix D [not printed in the Army List].

8. The examination for the certificate (W. O. Form 1672) will, as a general rule, be held during the training; and in applying for the assembly of a board of officers for this purpose, the commanding officer of the Militia regiment will state that the officer on whose behalf he applies, has been nominated by him, and is qualified as regards age and service.

9. The proceedings of the board of examination will be transmitted to the general officer commanding the district for approval, together with the certificate, W. O. Form 1672, if granted by the board. In the event of the regiment training out of its district, or of the board of examination for some other reasons being held out of it, the general

AUXILIARY, &c. CIRCULARS—*continued.*

officer concerned will transmit the proceedings of the board to the general officer commanding the district to which the Militia regiment belongs. If the certificate be approved, the general officer commanding will notify the same to the officer commanding the sub-district, who will call upon the officer commanding the Militia regiment to forward his recommendation of the candidate. If the officer does not obtain the certificate the proceedings will be forwarded by the general officer commanding in question to the adjutant general.

10. The recommendation will be forwarded as soon as possible after the 1st of May, in the case of officers who have already served two trainings, and in other cases immediately after the conclusion of the annual training through the officer commanding the sub-district, and the general officer commanding the district.

It will be accompanied by—

(A) A certificate that, as required by paragraph 7 (a), the officer has served two trainings.

(B) An extract from the register of the officer's birth, or, in default, a declaration made by one of his parents or guardians before a magistrate, giving his exact age. A certificate of baptism cannot be accepted in lieu of a certificate of birth.

(C) The certificate referred to in Appendix D, in the case of an officer exempted from examination before the Civil Service Commissioners in virtue of an university qualification.

11. The general officer commanding the district, on receipt of his recommendation, will attach the proceedings of the board and the certificate (b), W. O. Form 1672, referred to in para. 9, and forward the whole of the documents, with his report of the case, to the military secretary.

12. When an officer has within two years obtained a certificate of qualification in drill at a school of instruction, or from a board of officers, he will be examined for a certificate (W. O. Form 1672) only in the additional subjects in which he has not already passed. In this case the board, in granting their certificate, will quote and annex the certificate previously obtained by the candidate.

13. The examination of lieutenants of Militia recommended for Army commissions during the present year will take place before the Civil Service Commissioners at the University of London, Burlington Gardens, in October, 1875, and arrangements will be made for the medical examination of such candidates at the time.

14. No candidate will be allowed to appear for examination before the Civil Service Commissioners until he has been examined by a medical board as to his fitness in respect of height and physical qualifications for his Majesty's service.

15. An officer who fails in the examination in October next will be allowed two further trials, at the two next ensuing periodical examinations for entrance to the Army. An officer who finally fails to pass at these examinations will not be permitted to be nominated for a commission in any subsequent year.

16. An officer serving in the Militia may compete for an Army commission. If he is successful and is gazetted to a regiment, he cannot afterwards be recommended as a Militia officer.

17. The circumstance of a Lieutenant of Militia having been an unsuccessful candidate at the competitive examinations for commissions in the Army will not preclude his being nominated for a line commission by his commanding officer under the present regulations. If so nominated he will, unless he can produce the University Certificate (D) referred to in paragraph 7 (d) of these Regulations, be required to pass the qualifying examination described in Appendix C; but the Civil Service Commissioners may, if they think fit, dispense with such qualifying examination in the case of any candidate who, at a previous competitive examination, has shown that he possesses the necessary qualifications.

18. Officers commanding Militia regiments are requested to draw the attention of subalterns to the revised Regulations respecting the "instruction of sub lieutenants of the regular forces and their examination for promotion" contained in General Order 46 of 1874, in order that subalterns desirous of entering the Army may be fully aware of the position in which they may stand, with reference to sub lieutenants who obtain their commissions in the Army by open competition, and who have in certain cases an ante-date given to their commissions as lieutenants.

19. Clause 28, Auxiliary and Reserve Forces Circular, 1874, is hereby cancelled.

Cl. 7.—Clothing for Rifle Regiments of Militia.

1. The following new scale of clothing has been approved for rifle regiments of Militia, and will with reference to paragraph 8, Clause 31, Auxiliary and Reserve Forces Circulars,

AUXILIARY, &c. CIRCULARS—continued.

1874, be substituted for that prescribed for Militia rifle corps by paragraph 5, W. O. Circular 694, viz. :—

- One cloth frock for sergeants and band;
- One tartan frock for privates;
- One pair of Oxford cloth trousers for all ranks.

2. The new clothing will be supplied for the training of 1875.

3. The clothing now in possession, both dress and fatigue, will be utilized as fatigue clothing during the trainings of 1875 and 1876, and for recruits and other enrolled Militiamen who attend the preliminary drill in 1875.

4. The instructions laid down for Infantry Militia in paragraphs 3, 5, 6, and 7 of the Clause quoted in paragraph 1 of this Clause will also be applicable to rifle regiments of Militia.

VOLUNTEERS.**Cl. 8.—Capitation Allowance.**

The following addition will be made to paragraph 18, Clause 73, Auxiliary and Reserve Forces Circulars, 1873, in regard to the statement required to be furnished by Volunteer corps claiming capitation allowance :—

- (e) That the commanding officer and the three other members of the finance committee appointed to receive with him the issues of capitation allowances have undertaken to produce annually at a general meeting of the corps an accurate account of the receipt, expenditure, and balance of the moneys entrusted to them, and that such account was produced at the last annual meeting.

Cl. 9.—Travelling Allowance for Artillery Volunteers.

1. An annual allowance of 5s. will in future be granted as follows to an administrative brigade of Artillery Volunteers to cover the cost of travelling, carriage of guns, or other necessary expenses incidental to attendance at gun practice :—

- (a.) For every officer who has earned the capitation allowance;
- (b.) For every efficient volunteer of every corps of which the head quarters are at a greater distance than five miles from the practice range of the corps;
- (c.) For every sergeant instructor on the permanent staff attached to such corps.

2. This allowance will also be admissible for the officers of the staff (except the adjutant) when the head quarters of the administrative brigade are more than five miles from the battery at which such officers may attend gun practice; the expenses of the adjutant will still, however, be provided for under Clause 43, Auxiliary and Reserve Forces Circulars, 1874.

3. This allowance will be issued to the commanding officer of the administrative regiment, and will form a fund, distributable at his discretion, to meet the expenses incurred by attendance at gun practice.

4. A similar allowance will be granted to any corps of Artillery Volunteers not forming part of an administrative brigade, on account of each battery which has its regular place of assembly for drill at a greater distance than five miles from its practice range, and will be issued in the same manner as the capitation allowances.

5. In claiming travelling allowances under the foregoing paragraphs, the commanding officer and adjutant will furnish a certificate showing that the officers of the staff, or the corps or batteries in question attended gun practice during the year; and will certify as to the respective distances, and also, in the last-mentioned case, as to the number of efficient in each such battery.

6. The allowances specified in paragraphs 1 and 3 will supersede, so far as Artillery Volunteers are concerned, the travelling allowance provided for by paragraphs 9 to 12 of Clause 73, Auxiliary and Reserve Forces Circulars, 1873.

7. Artillery Volunteers will not be required to attend the brigade drill referred to in Clause 35 of Auxiliary and Reserve Forces Circulars, 1872, but when they do so, and comply with the provisions of that clause, they will be entitled to receive the allowances therein specified.

8. Clause 42, Auxiliary and Reserve Forces Circulars, 1874, is hereby cancelled.

Cl. 10.—Clothing.

The following will be substituted for paragraph 12, Clause 38, Auxiliary and Reserve Forces Circulars, 1874, which will be amended accordingly :—

12. It is desirable that corps clothed in blue or scarlet should wear white belts and black pouches; corps clothed in green, black belts and pouches; and those in grey, black or brown belts and pouches.

AUXILIARY, &c. CIRCULARS—continued.

Cl. 11.—Regimental Camps.

1. In making arrangements for Volunteer encampments, unnecessary expense has sometimes been occasioned by the demand of camp equipment for many more Volunteers than have actually attended. Commanding officers of Volunteers will therefore be careful, in future cases, to estimate as exactly as possible the number of men who are likely to take part in the encampment.

2. The application for authority for the formation of a regimental camp will continue to be made on or before the 30th April, in accordance with Paragraph 3, Clause 36, Auxiliary and Reserve Forces Circulars, 1872, and Clause 15, Auxiliary and Reserve Forces Circulars, 1873; but the requisition for camp equipment will be sent to the local controller exactly 14 days before the date of the formation of the camp.

WAR OFFICE FORMS.

Cl. 12.—

1. W. O. Form 1632—"Claim for Repayment of the amount expended on Floating Targets," has been cancelled.

2. A new W. O. Form—W. O. Form 1678—"Arrangements for the Preliminary Drill and Training of Militia Regiments," has been approved.

G.O. 10.—Returns.

I. With reference to the general regulations regarding the localization of the forces, transmitted with G. O. 32 of 1873, the following instructions are to be strictly observed in the preparation of the nominal and numerical returns of recruits raised in sub-districts.

II. The nominal and descriptive returns of recruits approved (W. O. Form 847) should include the whole of the men passed into the service, by the officer rendering the return, without reference to the agency by which the man was originally enlisted. These reports, when signed by artillery officers, are to be made to the Deputy Adjutant-General, Royal Artillery, and all others to the Adjutant-General of the Forces.

III. The numerical return of recruits, *i. e.*, the "Report on Recruiting in the Sub-district," in the monthly return of brigade depôts (W. O. Form 719), is intended to show generally the result of recruiting in the several sub-districts, month by month; but the following exceptions to this rule have been approved, *viz.*—

(a) Recruits enlisted and passed into the service at the head quarters of regiments of cavalry and infantry, or batteries of artillery, are to be shown in the regimental or brigade monthly returns (W. O. Form 710 and 711), and are not to be included in the sub-district returns.

(b) All recruits raised for the Household Cavalry or Foot Guards, are considered as head quarter recruits, and are, therefore, not to be included in the sub-district returns.

(c) In cases where the limits of the sub-districts are not defined, or where parties of more than one brigade depôt are recruiting within the same town or neighbourhood, the recruits should be accounted for in the numerical return of the brigade depôt to which the enlister belonged.

(d) Recruits enlisted by the parties or agencies of one brigade depôt, and passed into the service by a field officer of another, are to be accounted for in the returns of the brigade depôt to which the enlister belonged.

(e) Recruits enlisted for the cavalry and artillery by parties recruiting under the orders of the officer commanding a brigade depôt (whether passed into the service by him or by officers commanding cavalry districts or artillery sub-districts, or by other officers of the cavalry or artillery), are to be included in the returns of the brigade depôt; and the necessary information as to their final disposal should be furnished to the officer commanding the brigade depôt by the officer who inspected them.

(f) Parties of the auxiliary cavalry or artillery, employed on the recruiting service, are under the orders of the officers commanding cavalry districts and artillery sub-

districts; and all recruits enlisted by these agencies should be accounted for in a manuscript return, according to the accompanying Form, Appendix A. [*not printed in Army List*], which is to be furnished on the 1st day of each month, by cavalry officers to the Adjutant-General of the Forces, and by artillery officers to the Deputy Adjutant-General, Royal Artillery. Recruits so accounted for are not to be included in the brigade depot returns.

These reports are required in addition to the nominal lists on W. O. Form 847, referred to in paragraph II.

(g) Recruits raised by the adjutants and serjeant-instructors of engineer volunteers or other agencies under the orders of Commanding Royal Engineers, should be reported to the Deputy Adjutant-General, Royal Engineers, as head quarter recruits.

IV. The Field Marshal Commanding-in-Chief takes the present opportunity of pointing out the absolute necessity of accuracy in the preparation of returns rendered to head quarters; and commanding officers being held responsible for the accuracy of all such documents, they will make it a point of duty to ascertain that they have been carefully examined, and found to be perfectly correct, before they affix their signatures thereto.

G. O. 11.—Staff College.

I. The following regulations regarding the examination of officers who may be candidates for admission to the Staff College in February, 1876, are published for general information.

There will be vacancies for twenty officers, of whom three may belong to the Royal Artillery, and two to the Royal Engineers, provided they are among the twenty highest on the list.

The qualifications requisite for admission are—

(a.) A service of not less than five years, previously to examination, exclusive of leave of absence.*

(b.) A certificate from his commanding officer, that the candidate is in every respect a thoroughly good regimental officer.

(c.) A report on the following questions, to be confidentially answered by a board, consisting of the commanding officer and the two next senior officers of the candidate's regiment,† viz. :—

Is his conduct marked by steadiness and prudence, and is he temperate in his habits?

Is he extravagant in his mode of living?

Does he display zeal, activity, intelligence and discretion, in the performance of his duties, and does he appear to take an interest in his profession?

Report any other characteristic of the officer which renders him suited or otherwise for the duties of a staff officer.

Is his disposition such as would enable him to perform those duties with tact and discrimination, and in a manner calculated to ensure their being cheerfully carried out by those to whom orders would be conveyed by him? or, are his manners and temper objectionable, and likely to cause him to disagree with those with whom he might be associated, or be brought in contact?

Is he active and energetic in his habits?

Is he a good (fair or indifferent) rider, and is he shortsighted?

(d.) A certificate that the candidate, if not a captain, has passed the examination for a troop or company.

(e.) A medical certificate of good health and fitness for the active duties of the staff.

(f.) Every candidate before being admitted to the entrance examination, will be attached for a month to the staff of a general officer commanding a brigade or division, who at the expiration of this period will report confidentially upon the candidate's general fitness for staff employment, and especially upon his aptitude for business and for conducting official correspondence.‡

* This is not to apply to the usual leave of absence annually granted to officers on home service.

† Officers on half pay whose regiments have been disbanded, are, if possible, to obtain answers to these questions from the three senior officers under whom they have most recently served.

‡ See G. O. 26 of 1874.

GEN. ORDERS—continued.

Every application to study at the Staff College must be made, through his commanding officer, whilst the officer is present and serving with his regiment. No application from an officer on leave will be entertained.

HOME STATIONS.

II. Officers serving in the United Kingdom who are desirous of entering the Staff College, must, before the 1st of May next, inform their commanding officers, by whom the certificates from (a) to (e) will be prepared and forwarded through the usual channel to the Adjutant General of the Forces. General officers in transmitting these applications, will record their opinions as to the fitness or otherwise of the applicants for staff work, should they be able to do so from their personal knowledge of them.

If these certificates are satisfactory, orders will be issued for carrying out the test prescribed in paragraph (f).

General officers will report not later than 30th June upon the candidates then attached to their staff; after which date, the officers, if approved, will receive, from the Director General of Military Education, the rules to be observed at their examination.

The examination will take place in London on the 3rd August next, and following days.

FOREIGN STATIONS.

III. General officers commanding abroad will issue their own local orders, specifying the date up to which applications will be received by them from officers wishing to be examined. Care should be taken that sufficient time is allowed for the qualification described in paragraph (f) to be obtained, so that all the necessary papers and certificates may be received at the Horse Guards on or before the 1st June.

General officers in forwarding these applications will record their opinions as to the fitness or otherwise of the applicants for staff work, should they be able to do so from their personal knowledge of them.

The examination papers will be sent out for those officers only whose applications shall have been thus received.

IV. The examination will commence on the 3rd August, or as soon after that date as the examination papers shall be received from the Director General of Military Education; but no examination can be allowed to commence after the 20th August.

A board of officers will be appointed at the most convenient station of the district, by the general officer in command, and will consist of three officers; one of them to be, when practicable, a staff officer, having the rank of field officer, and the other two, if possible, not under the rank of captain. One of these officers will belong to one of the scientific corps, where any such officer can be obtained.

The questions are to be answered in the presence of the board.

The board will give to each candidate a number, which he will affix to each of his examination papers, instead of his name. He will retain the same number throughout the examination.

The board will give to each candidate a paper of the printed examination question on each subject at the time specified for the examination in that subject.

The candidates will write their answers to the questions in the presence of the board, and their papers, together with the printed examination questions, will be collected at the hour appointed, and made up into a packet, which will be sealed before being taken from the examination room.

The board will, immediately on the conclusion of the examination, forward the papers of the candidates to the general officer commanding, for transmission to the Director General of Military Education, accompanied by a certificate that the candidates obtained no assistance from books, or help of any kind, in their examination. The board will at the same time forward the names of the candidates, corresponding with their index numbers in the examination, in a separate envelope, for transmission to the Director General of Military Education.

V. The following will be the order of the examination :—

1st Day.					
Military Drawing	3 hours.
Hindustani	3 "
2nd Day.					
Fortification—(Obligatory)	1½ "
" (Voluntary)	...	1st Paper	1½ "

VI. The examination in military history and geography will comprise the following subjects, as stated in G. O. 70 of 1874, viz. :—

(a.) *The Campaign of 1796 in Italy.*

Candidates will be expected to have a general knowledge of the geography of the country.

(b.) *The general principles of war.* Text books: Jomini, "L'Art de la Guerre;" Hamley, "Operations of War."

VII. There will be, in all cases, an interval of not less than one hour between the two periods of examination on each day.

The papers will be collected at the appointed hours by a member of the board. Any candidate, however, who may have finished his examination paper on any subject before the hour named, may deliver it into the hands of a member of the board.

Paper, pens, and ink will be provided, but candidates should bring their writing and drawing materials, instruments, &c., and also the tables of logarithms they are in the habit of using. No other books or notes of any description will be allowed to be used.

No communication whatever will be allowed between the candidates at the examination.

VIII. General officers commanding at foreign stations will place no restrictions upon officers competing, further than the exigencies of the service may absolutely require. It will be understood that the rule by which only one officer can be spared from a battalion at a time, for the purpose of studying at the Staff College does not apply to candidates from battalions which have officers now at the college, but whose course of study will terminate in December next.

IX. General officers commanding at foreign stations will select the hours for the examination which are best suited to the climate and circumstances of the country, taking care, however, to conform strictly to the number and distribution of the hours as detailed in the foregoing regulations.

X. On the completion of the examinations, general officers commanding will transmit the candidates' papers to the Director General of Military Education, War Office, Pall Mall, with the least possible delay, in order to enable officers from distant stations, who may be successful in the competition, to join the College early in the following February. They will at the same time forward to the Adjutant General a return of the officers examined.

XI. Officers serving abroad, who may be successful candidates, will be allowed passage home, on joining the Staff College.

XII. The names and examination numbers of the candidates who are successful in the competition, as well as of those who prove themselves qualified, but for whom there are no vacancies, and the examination numbers alone of candidates who fail, will be published immediately after the reports of the examiners have been received by the Director General of Military Education, with the total number of marks gained by each candidate, and his place on the list.

XIII. Candidates are recommended to obtain the reports of past examinations for admission, with copies of the examination papers, published by Messrs. Taylor & Francis, Red Lion Court, Fleet Street, London.

GEN. ORDERS—continued.

G.O. 12.—Commissions of Officers.

I. Paragraphs 1 and 4, section 4, of the "Queen's Regulations and Orders for the Army," are to be understood to apply to non-commissioned officers promoted to commissions as quartermasters or riding masters.

II. Officers appointed to the Army since the abolition of purchase, on applying to retire, or to resign, or on appointment to the Indian Staff Corps,—and quartermasters or riding masters, on applying to retire,—will sign the declaration (c), paragraph 3, section 4, omitting the concluding paragraph—"In this declaration I do not refer to the sum which may be awarded me by the Army Purchase Commissioners."

Erratum.—In section 4, paragraph 3 (a), for "in respect of such (promotion) or (transfer to full pay)," read "in respect of such (promotion) (transfer) or (restoration to full pay)."

G.O. 13.—Examinations for admission to the Royal Military Academy.

Paragraph 7, page 6, in the "Regulations respecting examinations for admission to the Royal Military Academy and appointment to the Royal Artillery and Engineers," issued with G.O. 62 of 1874, is to be altered as follows:—

7. All candidates will be inspected by a medical board; and no candidate will be allowed to proceed to examination by the Civil Service Commissioners, unless certified by the board to be free from any bodily defects or ailments, and in all respects, as to height and physical qualities, fit for her Majesty's service. Cases of exceptional shortness of stature will be referred to the War Office for special consideration.

G.O. 14.—Rank.

Referring to the Royal Warrant, dated 5th December last (Clause 1, Army Circulars, 1875), the words "Sub Inspectors of Army Schools" are to be interlined after the words "Veterinary Surgeon," in the table of relative rank, in para. 10, sect. 2, page 22, of the "Queen's Regulations and Orders for the Army, 1873."

G.O. 15.—Embarkations.

I. In cases where detachments or individual men or their families are sent home from foreign stations, and it is found impracticable to forward to the quartermaster general the detailed return on W. O. Form 753, so as to arrive in advance of the party (as required by section 17, para. 45, of the "Queen's Regulations and Orders for the Army, 1873,") a copy of that return is to be given to the officer or non-commissioned officer in charge of the details, or to the individual, to be handed by him to the staff officer superintending the disembarkation at the port of arrival.

II. This is not intended to supersede any of the returns on the same form now sent to the quartermaster general; which, in the cases mentioned, should bear a note to the effect that a copy has been sent home in the ship as herein directed.

G.O. 16.—Regimental Funds.

In consequence of its having been reported that charitable funds still exist in some regiments, contrary to the directions contained in G.O. 62 of 1868, attention is again called to the subject, in order that no funds may be allowed, other than those authorized by regulations.

G.O. 17.—National Rifle Association—Army Prizes.

The list (Appendix B. *not printed in Army List*) of the winners of prizes given by the National Rifle Association, to be competed for by soldiers, is published with reference to G.O. 45 of 1874.

By command,

RICHARD AIREY, *Adj. Gen.*

REGULATIONS RESPECTING MEDALS

GRANTED FOR ACTS OF BRAVERY IN SAVING LIFE.

40069

17

THE FIELD MARSHAL COMMANDING IN CHIEF having sanctioned Medals granted for acts of bravery in saving life being worn in Uniform, whenever a Society may consider any officer, non-commissioned officer or soldier entitled to receive a Medal, the decoration, together with a statement of the act of bravery performed, should be sent to the Adjutant General to the Forces, in order that the recipient's name may be registered, and the necessary authority issued for the distinction to be worn.

These Medals will be worn on the *Right Breast*.

REGULATIONS RESPECTING FOREIGN MEDALS.

148

533 & 610

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Any British subject is at liberty to accept and wear a Foreign Medal, not being the decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An officer, soldier, marine or sailor must, however, first obtain permission from the Commander in Chief or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

FOREIGN OFFICE, *January*, 1870.

FOREIGN ORDERS.

The attention of Officers is drawn to the following REGULATIONS which are those now in force respecting FOREIGN ORDERS and are to be strictly adhered to.

1. No subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Field Marshal Commanding in Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.
